

Bem sei que as partes

Bem sei que as partes

que me cercam

não me atendem

que me debato

num exílio

de fontes e cuidados

que sonho a cada instante

um vento que me leve

para outro mundo

esse outro cada vez

mais outro

e mais distante

sei que me esperas

junto ao nada

onde fundaste

uma demanda

de torrentes e de

espinhos

mas como aderir

às rochas nuas

e às estrelas frias

de teu mundo

que segue além

desse meu vasto

desamparo?

trago um deserto de pedra

e areia dentro de mim

e é quanto me basta
