(Tripping the Barriers, Switching the Society)

The Annual Techno-Social Sojourn of the ISTE-JMI Students Chapter & The Annual Students Convention – 2012 of the ISTE-Delhi Section

Faculty of Engineering and Technology
Jamia Millia Islamia, New Delhi - 110025

October 20, 2012 (Saturday)

Subject: Invitation for participation in the Inaugural Function and other programs.

Dear Sir / Madam,

Indian Society for Technical Education (ISTE) is the largest national, professional, non-profit society in India. Established in 1968, it has consistently contributed to advance the cause of technological education in the country. The Society contributes, in every possible way, in the development of top quality professional engineers needed by the industries and other organizations.

I am honoured to inform you that the **Annual Students Convention-2012 of the ISTE-Delhi Section** is being organized by the **Faculty of Engineering and Technology, Jamia Millia Islamia, New Delhi** along with Annual Techno-Social Sojourn of the ISTE-JMI Students Chapter, **TRIPSTER-2012** (*Tripping the Barriers, Switching the Society*) on 20th October 2012.

The theme of the convention manifests itself as "**ICT in Mobile Health Care**". The convention aims to provide a common platform for promoting and unfolding new dimensions of ICT in the area of health care. This would include presentations from industry, discussions of technical papers and many other techno-social events. Faculty members and students from various technical institutions, professionals and R&D persons from industries across Delhi and NCR are likely to be present on the occasion. The Key note address will be delivered by **Prof. Moinuddin**, PVC, Delhi Technological University, New Delhi, and the function would be presided over by our Guest of Honour, **Prof. R. S. Nirjar**, Former President, ISTE. **Mr. Siraj Hussain, IAS**, former Vice Chancellor, Jamia Hamdard, and presently Additional Secretary, Ministry of Agriculture, Govt. of India has very kindly consented to be the Chief Guest.

Such mega events can only be successful by active & large participation by all the stake holders of higher education. We have kept several interesting events for the students, viz., **Mini Marathon, Robotics Events, Just Code, Code Bash, Blind Fold, Apti Quiz, Gali Cricket for both men and women, Solo Singing, Dramatics etc.**, in which they can participate and win exciting prizes.

On behalf of the organizing committee, I feel privileged to invite you to participate in this program as a distinguished guest and encourage our students with your presence and advice.

I would also like to request you to kindly motivate your colleagues, friends, and students for participation, whose presence will certainly be a source of inspiration & information for the participants and the organizing committee.

The schedule of convention and the list of events, and the e-invite is attached herewith for your kind perusal.

Thanking you,

Yours sincerely

Prof. A. Q. Ansari
