### **About the Speaker**

Prof. Mushirul Hasan's association with Jamia has been very long and purposeful. He became Professor at the Department of History and Culture at the age of 32 and remained senior most Professor of India for ten years before he took VRS in November 2013. During his tenure as VC Jamia got 250 new teaching posts and 12 new centres including centres for Dentistry and Physiotherapy. Through his writings on the role played by the Muslim community in the freedom struggle and in the process of nation-building, Prof. Hasan has acquired a distinguished place among historians. He has inspired many scholars at Jamia and elsewhere to undertake research on such essential but neglected aspects of Indian history.
