THE UN @ 75: CHALLENGES OF SUSTAINING PEACE

by **Professor Priyankar Upadhyaya**

Author of *Long Walk of Peace: Towards a Culture of Prevention*

ABSTRACT

Embedded in Cold War legacies, the UN peace agenda has undergone multiple transformations to include innovative methodologies to meet the changing nature of conflicts. The recent conceptualisation of 'sustaining peace' linked organically with the SDGs offers a transformative approach towards achieving a culture of prevention. How does the new emphasis on conflict prevention relate to critical and emancipatory discourses on peace, especially around the imperative of local ownership of building peace, is a question that requires reflection on the completion of 75 years of the UN.
