The Department of Physics, Jamia Millia Islamia, New Delhi in collaboration with the Society for Semiconductor Devices, New Delhi is organizing a one day National Seminar of Photonics and Optical Materials on **January 21, 2016**. The Seminar is being organized as part of the International Year of Light and Light Based Technologies-2015 activity, approved by the UNESCO, which may be seen at the UNESCO- IYL-2015 webpage:

<http://www.light2015.org/Home/Event-Programme/2016/Lectures/India-ROSHNI.html>

The International Year of Light is a global initiative to highlight to the citizens of the world the importance of light and optical technologies in their lives, for their futures and for the development of society

The Seminar is expected to inspire our young researchers and PG students towards this emerging area of research.

Professor Vikram Kumar, Professor Emeritus, Department of Physics, I.I.T. Delhi & Former Director, NPL and SSPL-DRDO will be the Chief Guest.

Professor Talat Ahmad, Vice-Chancellor, Jamia Millia Islamia will preside over the Inaugural Function.
