**Announces Summer Special Batches for  
Skill-Based Short-Term Courses  
under Skill India Initiative**

**New Delhi,** - The Centre for Innovation and Entrepreneurship (CIE), Jamia Millia Islamia (JMI), is pleased to announce a unique opportunity for **school students** and **housewives** to enhance their skills through **Summer Special Batches of Skill-Based Short-Term Courses** under the **Skill India** initiative, a visionary program led by Hon'ble Prime Minister **Shri Narendra Modi**.

This initiative aims to equip young students and housewives with practical skills, fostering self-reliance and preparing them for future career opportunities. The courses will cover a diverse range of industry-relevant skills, ensuring that participants gain hands-on experience and professional development during their summer break.

**Special Focus on School Students Housewives and Other professionals:**

- **For School Students:** These courses are designed to help students make the most of their summer vacations by learning new skills that will not only enhance their knowledge but also give them a competitive edge in their future academic and professional pursuits.
- **For Housewives:** The program offers an excellent opportunity for housewives to acquire new skills, explore entrepreneurial opportunities, and contribute to their personal and family growth.
