NOTICE

The FTK-Centre for Information Technology has developed a facility to provide E-Mail accounts to all students of Jamia Millia Islamia on the domain st.jmi.ac.in. The primary objective of providing this facility is to establish an efficient communication link between the University and the students for exchange of academic and administrative information.

Students of Doctoral and Postgraduate programmes may get their e-mail Ids from the Intranet link <http://172.16.16.2:8080/JEIS/> or <http://10.2.0.30> (Online Services -> Jamia Students Email System) by providing basic information about himself or herself. The account creation work of students of other courses is under way and it is expected that the same would be completed by Nov. 10, 2013.

All Deans of Faculties/Directors of the Centres/Heads of Departments are requested to bring the above notice of all concerned and encourage teachers and administrative staff to start using the facility. The FTK-Centre for Information Technology may be contacted for any assistance in this regard.
