BIO-RAD LABORATORIES // awareness program

“ Workshop : New Advancements in Medium-Pressure Chromatography for Protein Purification. ”

Dear Madam,

It is indeed a great pleasure for Bio-Rad India to have an association with an esteemed research institute like yours for a long time. We take this opportunity to thank you for your constant trust in us and further promise to keep delivering on our commitment to serving science while achieving the larger goal of helping the mankind.

Working on this, we are proposing to conduct a “**Workshop on new advancements in medium pressure chromatography for Protein purification**”, including one to one technology discussion, Presentation and Hands on training using “**Next Generation Chromatography system**” at our esteemed center.

Our Product Manager Dr. Amrrutraj having expertise in the field of chromatography will be available for handling queries and their possible solutions in the entire session.

We are looking for your kind support and permission for conducting the workshop at your center.

Date : 8th & 9th Aug, 2019 (as per attached schedule)

MCARS, Jamia Millia Islamia

For any queries, please contact Mr. Bala Krishan - Account Manager, Mb.-9953667552.

Warm regards,
Mr. Ankur Majumdar
Regional Sales Head
