

## Memorandum of Cooperation

between

**KING ABDULAZIZ FOUNDATION**  
**The Kingdom of Saudi Arabia**

and

**JAMIA MILLIA ISLAMIA**  
**The Republic of India**

The King Abdulaziz Foundation, Kingdom of Saudi Arabia, and Jamia Millia Islamia, Republic of India, acting upon the bond between them in the pursuit of knowledge, and for the implementation of their mutual interest in developing and enhancing bilateral relations, each in their own field, agree as follows:

1. To cooperate in their respective fields of specialization.
2. To encourage study and research, and to provide researchers from both Parties with access to historical information and the opportunity to use each Party's scholarly and historical materials of interest.
3. To exchange scholarly bulletins, publications, and the procedures and standards of work.
4. To hold joint seminars and exhibitions approved by both Parties.
5. To exchange experience in conservation and preservation and to hold training programs for staff involved in this field.
6. To exchange visits of senior staff and experts.

The Parties further agree that:

- This memorandum is activated as soon as both Parties acknowledge the completion of all legal and official arrangements for its validation according to local law and procedures, through diplomatic channels.
- The duration of this memorandum is five years. It may be renewed for the same period or other periods provided that neither party has requested in writing its termination at least six months prior to its completion.
- In the event of cancellation or non-renewal of this memorandum, such programs, activities and agreements that remain at that time uncompleted or that have been initiated under its terms, shall continue.

This memorandum has been signed in two copies, in Arabic and English. The lawful and approved copy and the version that shall be definitive for any interpretation of its terms shall be that in Arabic.
