Press Release

CDOE, JMI declares B.Ed. & CRDI results in a record time

The Centre for Distance and Online Education (CDOE) at Jamia Millia Islamia (JMI), has successfully achieved the goal of an expedited announcement of the B.Ed. result for the 2022-23 (June) batch and the CRDI on February 11, 2025, both finalized within a span of 15 days. The dedicated team of CDOE worked tirelessly to release the result in time to ensure that students could meet the deadline set by the Delhi Subordinate Services Selection Board (DSSSB).

This unprecedented accomplishment was made possible through the effective coordination and collaboration between the Office of the Controller of Examination and CDOE, JMI. Special recognition for this success is due to Prof. M. Moshahid Alam Rizvi, Director of CDOE and Prof. Saroj Kumar Mahananda, Controller of Examination, whose leadership and foresight were crucial in facilitating the timely release of the results. Furthermore, the diligent efforts of Dr. Khalid Raza, Assistant Controller of Examination along with his team, were essential in adhering to the stringent timeline.

The remarkable coordination between CDOE and the Office of the Controller of Examination underscores JMI's commitment to providing students with efficient and prompt services, ensuring their academic progress and job opportunity.

The current leadership of JMI, represented by Prof. Mazhar Asif, the Vice Chancellor and Prof. Md. Mahtab Alam Rizvi, the Registrar, is driven by the vision to 'avoid inordinate delay in examination processes', which serves as the fundamental motivation for these initiatives.
