JMI Vice Chancellor and Registrar meet Horticulture workers of the university

The Vice Chancellor of Jamia Millia Islamia (JMI), Prof. Mazhar Asif, along with the Officiating Registrar, Prof. Mahtab Alam Rizvi, engaged in a meeting with the personnel of the university's Horticulture Department at the lawn of the Dr. M.A. Ansari Auditorium. The two senior officials convened with the staff to gain insight into their concerns and to discuss a shared vision for preserving the greenery and cleanliness across the campus.

In order to foster an emotional connection, both officers sat on the ground alongside the workers and engaged in discussions regarding their concerns. This meeting underscored JMI administration's dedication to assisting the staff in their initiatives to enhance and maintain a green and clean campus environment.

The Vice Chancellor and the Registrar expressed their commitment to providing all necessary assistance to address the workers' concerns and urged them to exert their efforts in enhancing the beauty of the campus.
