### **JMI students secure prestigious placements at BPCL & Yamaha**

New Delhi: University Placement Cell (UPC), Jamia Millia Islamia (JMI) proudly announces the exceptional campus placement of JMI students - two at Bharat Petroleum Corporation Limited (BPCL) and seven at Yamaha Motor.

BPCL selected **two outstanding students** of B.Tech. Mechanical Engineering with an impressive package of **20.10 LPA**, marking a significant milestone for the institute. Their achievement highlights the institution's commitment to academic excellence and industry readiness. Additionally, **Yamaha Motor India** has also recruited **seven students** from other programs.

- One MSW student as a Management Trainee (MT) with 8.5 LPA
- Three students of B.Tech. Mechanical Engineering as Graduate Engineer Trainees (GETs) with 7.5 LPA
- Three Diploma Mechanical Engineering students as Diploma Engineer Trainees (DETs) with 3 LPA

The UPC constantly endeavours to provide good training & placement opportunities for its students, helping them achieve remarkable success in their careers. The Training & Placement team members including Prof. Rahela Farooqi, Prof. Sabah Khan and Prof. Rihan Khan Suri congratulated the selected students on their remarkable success.

JMI proudly celebrates this achievement and extends its best wishes to the students for a successful and fulfilling career ahead.
