Press Release

JMI increases number of seats in various classes of Jamia Schools for academic session 2025-26

Jamia Millia Islamia(JMI) has increased the number of seats offered in different classes across the schools run by the university. The university's Competent Authority has very kindly approved the enhancement of seats from the Academic Session-2025-2026, following the recommendation made by the Prospectus Draft Committee during its special meeting convened on February 7, 2025.

In class 9th of Jamia Senior Secondary School, the number of available seats have been increased from 30 to 40. Similarly, in class 11th Arts, the seat count has also been raised from 30 to 40.

In the Prep and 6th grades of Syed Abid Husain Senior Secondary school, the number of seats has been increased from 40 to 80. Additionally, in the class 11th Arts, the number of seats has been expanded from 70 to 80.

The number of available seats in the 11th Science and 11th Commerce grades of Jamia Girls Senior Secondary School has been increased from 50 to 80, respectively.
